

UrbanMetaMapping Semester Talks: Winter Term 2022/23 via zoom, 12.00 - 13.00 (CEST/CET)

Registration via: talks.urbanmetamapping@uni-bamberg.de

The UrbanMetaMapping Research Consortium warmly invites you to the second semester of our online, midday academic talks on issues connected to our research interests on mapping man-made and natural catastrophes, heritage, urban planning, and digital tools used for researching these. Meetings take place every third Wednesday of each month at noon and will last for an hour (including Q&A). will provide an exciting platform to discuss with international scholars their research and exchange ideas.

We look forward to you joining us for the UrbanMetaMapping Seminar Series!
